

FIFTYFIVE5 DATA COLLECTION STATEMENT – NSW TRANSPORT SURVEY

You have been invited to participate in a survey about transport options in your local area and more widely across NSW. This survey is being conducted by Fiftyfive5 (Part of Accenture Song), a social and market research agency, on behalf of Transport for NSW (TfNSW).

Participation in the survey is voluntary. You can choose not to answer any question. You can decide to stop at any time. Unless you agree otherwise, your information will only be used for the purposes of the survey/research.

We will not disclose any identifiable research information to a third party for a purpose other than conducting our research/reporting unless we have your express prior consent or are required to do so by applicable law.

To the extent the survey would include questions on sensitive personal information, you agree that, if permitted by law, we may use any sensitive personal information voluntarily provided during the survey, which will only be used for research purposes. If you prefer not to answer those questions or provide such information, that's fine.

Our Privacy Policy is available [here](#) and contains further details regarding, retention, security, recipients of your data, regarding your [rights](#) (including how you can ask for access to or deletion/correction of your personal data, how to withdraw consent and regarding how you can make a privacy related complaint). Should you have any questions about our Privacy Policy or any of the above matters, you may contact dataprivacyofficer@accenture.com mentioning the relevant survey or research project by Accenture Song.

To the extent our client would use your information for their own purposes, they will do so in accordance with their privacy policy and should inform you accordingly. Their privacy policy is available for review at [Privacy Statement | Transport for NSW](#)
